Job Title: Planting Production Crew Member

Job description

Great Lakes Landscape Supply is looking for new team members to join our production crew. If you are a motivated individual who likes the outdoors, maybe this job is for you. Great lakes is a rapidly growing company which supplies trees, shrubs, stone, and more to landscaping professionals. Much of what we sell is live product and we need people to help us manage and take care of it. Have you ever had an interest in growing plants? Are you interested in nature? If so, maybe something like this could be a job for you.

This is a physical job; you will be asked to walk from project to project. You will also be asked to move plants, prune, clean debris, water, ect. These are all jobs which can keep you active during the day. There will be days that you go home tired. This job is an outdoor position. While the weather is beautiful most of the time, weather can be variable.

Great Lakes is a company with rapid expansion and growth. With that comes the ability to advance into new positions and opportunities. A motivated individual can make Great Lakes a place to have a rewarding career.

Job Type: Full-time

Pay: From \$15.25 per hour
