

New Plants at GLLS

Common Name	Description
<p>Summer Crush Hydrangea</p>	<p>New compact reblooming Macrophylla Hydrangea with Raspberry Red or Neon Purple blooms depending on the soil type. A part of the endless summer series.</p>
<p>Diamond Rouge Hydrangea</p>	<p>This Paniculata has long lasting flowers on strong stems that start out white and progress to pink, raspberry red, and finally wine red. 4-5' tall by 3-4' wide</p>
<p>Summer-Peek-A-Boo Allium</p>	<p>This is a shorter cultivar of 'Summer Beauty' with lavender flowers at 12" in height</p>
<p>New Vintage Violet Yarrow</p>	<p>A compact variety with bold, violet red, tight flowers.</p>
<p>Lil Bang Enchanted Eye Coreopsis</p>	<p>A long blooming compact perennial with yellow flowers and a burgundy eye. Deer resistant.</p>
<p>Big Bang Cosmic Eye Coreopsis</p>	<p>This compact perennial has dark burgundy- red petals rimmed in gold and accented by yellow center. Deer resistant.</p>
<p>Risky Business Hosta</p>	<p>New sun tolerant hosta with dark green wavy leaves and a white center margin.</p>
<p>Green Twister Coneflower</p>	<p>Blooms in various green, yellow, and pink hues.</p>
<p>Delilah Purple Dianthus</p>	<p>A hardy dianthus with semi-double pink/ purple flowers. Can bloom from spring to fall with deadheading.</p>

Lime Marmalade Coralbells	Frilly, lime colored foliage with white flowers. Does well in partial shade to partial sun.
Mega Caramel Coralbells	Like Caramel, but much bigger. Deer resistant, can get 18"-20" tall and 20"-28" wide.
Double Play Doozie Spirea	Foliage emerges early spring as deep red turning to green, with bright purple- red flowers that reblooms throughout summer.
Little Trudy Catmint	Has a low spreading habit with purple- violet flowers that attract pollinators during the long bloom season.
Lacy Blue Russian Sage	This compact, deer resistant perennial does not flop over in the landscape. The lavender- blue flowers are aromatic and reaches 12"-18" tall and 24-26" wide.
Freak! Shasta Daisy	Large white multi- layer flowers with fluffy petals surround a yellow button that reaches 10"-14" tall and 18"-21" wide.
Balmy Purple Monarda	A dwarf bee balm with vibrant reddish- purple blooms that attracts pollinators.
Flame Series Dwarf Garden Phlox	With a dwarf growth habit and large flower heads this series blooms earlier than others. Blue Flame, Purple Flame, Red Flame, and White Flame. Deer Resistant.
Raspberry Splash Pulmonaria	A shade- loving groundcover works well as an underplanting to other shade plants. Has raspberry- coral blooms, throughout spring, with a silver- spotted foliage.

<p>American Gold Rush Blackeye Susan</p>	<p>Compact rounded habit with heavy golden- yellow flowers that have arched petals. Disease resistant.</p>
<p>Firecracker Sunsparkler Sedum</p>	<p>This stonecrop sedum has burgundy- red foliage with soft pink flowers in late summer. Stays 6-8" tall and wide.</p>
<p>Bumbleberry Salvia</p>	<p>Compact salvia with dark fuchsia- pink flowers attract pollinators and is deer and rabbit resistant.</p>
<p>Autumn Delight Sedum</p>	<p>An upright variegated sedum that has chartreuse- yellow leaves with a narrow, blue-green serrated margin. Blooms into light pink flowers in the fall. Low water needs.</p>
<p>Purplelicious Veronica</p>	<p>Compact speedwell with spikes of deep, violet-purple flowers that last from late spring through summer. Attracts pollinators.</p>
<p>Sunflare Japanese Forest Grass</p>	<p>This compact hakonechloa has vibrant cascading chartreuse leaves that become an intense golden yellow with deep crimson highlights with more sun.</p>
<p>Piglet Fountain Grass</p>	<p>A pennisetum with long narrow green blades that turns reddish brown in the fall. Fuzzy looking spikes of tiny pinkish white flowers appear in late summer. Grows a little larger than Little Bunny, but smaller than Hameln.</p>
