## **Job Title: Production Manager/Grower**

About us:

Great Lakes Landscape Supply is a rapidly growing company based out of Cedar Springs Michigan. We specialize in wholesale sales to the landscape trade. We sell trees, shrubs, perennials, natural stone, concrete products, and more. We are looking for driven people to join our team who enjoy problem-solving, multitasking, and who would like to grow with us!

We offer:

Competitive wages

Matching retirement benefits

Holiday pay

Vacation pay

Health insurance

We are looking for someone who has experience in the nursery industry to help with the management of nursery stock at our 100+ acre West Olive production farm. This job's duties include; managing personnel, watering, pesticide applications, inventory, plant maintenance, and production.

A very qualified applicant would have the following:

Horticulture degree

2+ years experience of managing personnel

2+ years experience growing nursery stock

Pesticide Applicator License/ pest identification experience

Experience with tractors, sprayers, and loaders

Experience with irrigation setups/maintenance

Knowledge of landscape trees, shrubs, and perennials

Pay: Based on work experience.
